

Alice's Adventures in Wonderland - Character description

The Mad Hatter always wears a green hat and orange trousers. He is a very strange character ! He and his best friend, the March Hare, always have tea at 6 o'clock. And it is constantly tea time for them because, in Wonderland, they are stuck at 6 o'clock !

He is a symbol of madness and I love him because he is very funny. And I also like his multi-coloured costume!

The Cheshire Cat has a purple face, a purple nose, big yellow eyes, a big smile, white teeth and a beautiful personality.

We don't often see him and sometimes we can only see his big smile ! I like the Cheshire Cat. He is a great character ! He is crazy and always has a smile on his face !

The Mad Hatter is very eccentric. He has a top hat and a watch ! His watch is funny because it doesn't tell the time, it tells the day !

I like this character because he is crazy and he likes tea, just like me ;)

Roxane, 5^e 7

The Duchess is never happy or nice. She has a red nose, a wrinkled face and she wears a dress.

I don't like this character because she is big and ugly and she is always angry !

The Duchess has a big belly. She is stubborn and she hates pepper and children. The Cook and the Footman work for her.
